Dear Parents,

May 04, 2016

Blood donation is a service to humanity. The blood you donate gives someone else, another chance at life. One day, that someone may be a close relative, a friend, a loved one, or even you. You have the most precious resource of all: the ability to save a life by donating blood! Help share this invaluable gift with someone in need. **The Interact Club** of the school has organised a blood donation camp on **Saturday, the 7th of May, 2016**, in the school premises. This is a request to all adults above the age of eighteen to support this noble cause and make a difference to at least one life. Every blood donor will get a donor card which will entitle him/her to receive the same amount of blood, whenever needed, for self or for any friend/relative.
