

**BAL BHARATI PUBLIC SCHOOL, PITAMPURA, DELHI - 110034**

**Circular**

**Dear Parents,**

**August 10, 2016**

The movement from **Class-V to VI** is a major transformation for a child and we appreciate the concern you have shared with us on the PTA regarding the **Cycle Test System**. The purpose of conducting the Monday Test is to enable the child to develop the habit of regular studies so as to be well equipped to handle the growing academic demands. Some of the concerns shared by you have been discussed and to enable our children to enjoy continuous learning we will ensure:

- a) Small portions of syllabus will be assessed.
- b) The syllabus would be completed 7-10 days before the day of evaluation.
- c) The teacher will revise the lesson/ will ensure adequate revision.
- d) The quantum of Homework will be regulated.

We do hope that this will reduce the stress by enabling the child to learn continuously. In the event of any concern with respect to any specific subject you are requested to address your concern immediately to the **Headmistress at (hmsr@balbharatipp.org)** with **CC to the Principal at (ppbbps@hotmail.com)**.

Regularity is a habit which has to be formed in this age group to enable the children to do well in life. It can't be denied that regular hardwork goes a long way to do well in life and ensure life long learning.

**Ms. Meenu Goswami**  
**Principal**
