

Dear Children,

**Happy days are here again.** Please try and follow the following:

- ★ Read as many story books as you can.
- ★ Help your parents and grandparents in daily chores (like dusting, watering the plants etc.)
- ★ Play simple games like Scrabble, Chess, Atlas etc.
- ★ Do English and Hindi holidays homework in separate notebooks.
- ★ Submit the holidays homework by 11<sup>th</sup> July, 2016.

**English:**

***Fun time with my grandparents.***

- a) Learning values: Write a small paragraph on how you interacted with your grandparents and what all you came to know from them. Know your grandparents better by discussing their likes and dislikes.
- b) Cooking time: Cook a simple dish with your grandparents and write its recipe. Click its picture and paste it.
- c) Being creative: Write a few lines on your grandparents and make a sketch of them.
- d) Story time: Write any one story in (5 to 10 sentences) that was narrated to you by your Grandparents and depict the story in picture form also.
- e) Find out when is the Grandparent's Day celebrated. Make a card for your Grand Parents.

**MATHS:**

Q.1. Create a magazine titled Fun In Maths.

Collect or write poems, stories, puzzles, crosswords, mazes related to mathematical concepts. Please write your name under self composed poems or stories as they will be taken for school magazine.

# Do the work on A-4 sheets and tag them in a file with an appropriate cover page designed by you.

**EVS:**

- 1) Visit the Zoo. Write the names of any 10 animals you saw there. Paste their pictures and write amazing facts about them. Do the work on A-4 sheets and compile it in a folder. Make a cover page under the heading My visit to the Zoo.
- 2) There are three Traffic Training Parks in Delhi. Visit any one of them. Paste real pictures of your visit. Collect pamphlets and information of the same. Write few rules that we should observe and follow.
- 3) Collect and paste 5 to 7 pictures of the things we can do to save the Earth. e.g. say no to polythene bags, plant more trees etc.
  - ★ Do the EVS work on A-3 sheets and get it spiral binded.
  - ★ NO MARKET WORK WILL BE ACCEPTED.

## My Activities:

### 1) Make a Pencil Holder

- ★ Take an empty juice tetra pack. Take the help of an adult to cut off its top.
- ★ Use paper tearing technique to cover the tetra pack. Remember to use only old newspapers, magazines, wedding cards etc.
- ★ Decorate the tetra -pack using fallen leaves, flowers, twigs etc. Your pencil holder is ready for use.

### 2) The care zone

Take two halves of a coconut shell or earthen vessel/take away container. Ask an adult to help you make three holes at equal distance towards its open side. Tie sturdy thread or nylon string in these holes. Your bird feeders are ready. Put some grains in one of them and pour fresh water daily for the birds in the other. Hang the two bird feeders in your balcony and enjoy seeing the birds having their meal. We are sure, with their chirps, they will thank you for caring for them.

### 3) Grow your kitchen garden.

Take 5 small pots .Grow any 5 plants which you eat as leaves or vegetables like coriander, mint, green chilli, brinjal etc .See the various stages of growth .Observe and record your observations under the following heading.

#### Number of days in which:

- The baby plant came out:
- I saw the first flower/stem/leaf:
- The fruit came out:
- Click relevant photographs of the different stages and paste them in a file.

**G.K.:** To know our partner country better, take a globe or a map .Locate UK and India. Find out the means of transport, which will take you to UK and the time taken to reach there. Find out about their climate and best time to visit them. Paste pictures comparing the clothes they wear, food they eat and the language spoken there.
